

WANT TO BRING YOUR DOG TO MARKET? ENROLL THEM IN OUR GOOD CITIZEN TRAINING PROGRAM!

Many visitors love bringing their furry companion along for the ride to the Farmers Market of the Ozarks!

In order to maintain a safe and well-behaved environment, we are now requiring all attending pups to be graduates of the Farmers Market Good Citizen Training Program!

This fun and interactive program will teach and test your hound charming manners, great social skills and obedience - just to name a few!

🐾 GETTING EVALUATED IS EASY! 🐾

Side Kick Dog Training will be evaluating furry citizens on April 11th

Evaluations cost only \$35 and your Good Citizen will receive a Farmers Market of the Ozarks bandana to let everyone know!

🐾 BECOME A GOOD CITIZEN 🐾

If your companion doesn't pass the evaluation - don't worry! Rowdy dogs can attend the Good Citizen Training Program, put on by Side Kick Dog Training!

The Good Citizen Training Program is a 6 week course, with one, hour-long class per week, right here at Farmers Market! The first class will be offered at Farmers Market on April 25.

Your dog will learn the power of positive training for social skills and basic manners, turning them into a polite member of the family!

Cost for 1 student is \$110

Anyone wanting to get their pet evaluated before can contact Side Kick Dog Training at (417) 425-5944

Service dogs are welcomed to market. If your animal has completed an obedience class or has obtained any certifications, please bring the animal and copies of the paperwork to the Market Info Hub for an FMO bandana for your pet. All approved dogs must wear their FMO bandana when visiting the market.
